

Differently Abled Students Center

- The college has an exclusive Differently Abled Students Center.
- Dedicated 05 computers with headphones and specialized software JAWS (Job Access with Speech) Professional-V.17 software are available for visually challenged students
- JAWS is a screen reader software that works with Windows operating system to provide access to software applications and the Internet. JAWS uses an integrated voice synthesizer and computer's sound card to output the content of computer screen to speakers.
- The library provides special facilities to the physically challenged persons so that they do not need to stay in queue for books. They are offered direct access to the circulation counter. The library staffs assist them at personal level for searching the required sources of information.
- 2000+ audio books are available through Yashowani. Yashowani helps in recording books for visually impaired students on demand.
- Book Bank facility is given to the differently abled students. For every academic year, the entire book set is allotted to differently abled students.
- Some Braille books are provided from NAB (**National Association for the Blind**), Satpur, Nashik through Inter Library Loan facility.
- Library has 128 Braille Books for competitive examination and overall development of students.
- The Braille periodicals such as Reliance Drishti and Sparshdynan Magazine which are published fortnightly from **NAB (National Association for the Blind)**, Satpur, Nashik are made available to visually impaired students. **NAB m-way** Library has also provided 2 book racks for the differently abled students center.
- **DOT Mini Devices:** The Differently Abled Center Provides 12 DOT Mini Device to Visually impaired students. The DOT Mini device has recording facility with 8GB memory and Braille words keys.
- **KIBO XS Devices:** The Center also has three KIBO XS devices. The KIBO XS device has in-built scanner which scans book page and record it in audio format on Cloud server. Students retrieve data through their Android Mobile phone using KIBO app from Google Play Store.

**➤ On Demand Service:**
